

The Buyer's Agents

Representing Buyers - Not Sellers

in the Real Estate Transaction

EXCLUSIVE BUYER REPRESENTATION

The first, largest and most experienced Buyer's Agency in Sydney, Australia. As a buyers agent, we search, locate and negotiate property exclusively for Sydney home buyers. We are not sellers of real estate. We are a progressive and innovative agency that acts solely on the behalf of homebuyers, property investors and business. We are the ones who create a level playing field. We offer expert advice and premium service to counter misinformation, overpricing and emotional impulse buying.

What we can do for you

- Find your dream home or investment property in record time
- Deliver property to you that is not advertised to the general public (silent sales)
- Organise all **building inspections and solicitors**
- Determine the true value of a property in this changed market and negotiate the lowest purchase price
- It's our job to save you time and effort, to eliminate stress, offer independent advice, and protect you our client throughout the whole phase of the property purchase
